BAHUBALI GROUP

Praveen Kumar Jain the director and co-founder comes from Madhya Pradesh a state well known for its natural beauty and forests. Growing up amongst green, he found his love for sustainable products at a very early in his childhood. Experimenting and playing with natural resources he eventually followed his passion and founded BAHUBALI with his wife to spread this love to more and more users. The aim has always been to provide sustainable and natural products at an economical price.

MANUFACTURING UNIT

We manufacture all our products with full care and attention to detail in our 20,000 sq ft unit situated just 4 kms from the capital, Delhi NCR in India. We have a production capacity of 10,000 units per month with annual sales of over USD 1.2 million.

Celebrating 23 years
in over 30 countries

QUALITY ASSURANCE

We have our in-house quality assurance team of professionals and technically qualified personal. It is our commitment that we never take the quality check as a last minute formality. Our QCs keep a constant vigil at every stage of production.
